Purpose of the SEN Information Report.....	2
Shireland Collegiate Academy Information.....	2
Identifying Children with Special Educational Need.....	2

The Academy follows a rigorous program for its students. The
 students are given a lot of freedom to explore their interests
 and passions. The Academy also provides a variety of
 extracurricular activities for its students.

The Academy is a member of the International
 Association of Preparatory Schools.

KS4/5 Transition: Staff in the Inclusion Department provided advice to students about a range of sixth form or further educational provision including the option of remaining at Shireland Collegiate Academy or attending another provider. Students are encouraged and supported to make visits to local providers at all levels.
